11	Niranjan Umakant Waghchaure	Student Representative	Member	

Sakhi Sawitri Committee report 2026-27

Date: 4 July 2026
Venue: Divine Child School
Conducted by: Adv.Daniel Takwale

As part of the Savitri Bai Phule Girls' Welfare Initiative, an awareness session was conducted with the girl students to discuss important topics related to their safety, hygiene, and well-being.

The following points were covered during the session:

1. POCSO Act Awareness: Students were informed about the Protection of Children from Sexual Offences (POCSO) Act and its importance in safeguarding their rights.

2. Good Touch and Bad Touch: An age-appropriate explanation was given to help students understand the difference between good touch and bad touch, and how to respond to unsafe situations.

3. Cleanliness of Body and Mind: Emphasis was laid on the importance of personal hygiene and maintaining mental cleanliness through positive thoughts and healthy habits.

4. Safety of Girls: The students were made aware of general safety rules at school, during travel, and at home. They were also encouraged to speak up and report anything that makes them uncomfortable.

5. Open Discussion on Problems: A safe space was created where students were encouraged to share any problems they might be facing at home, in school, or in their surroundings.

The session ended with an interactive discussion where students actively participated and asked questions. They were reassured that the school is always there to support and protect them.
